Yes, but can you, Bob. or Dave include some language?

Bob/Dave - Shawn has asked for a chronology of events for Dimock. I have prepared one from 12/15 when I got involved. I know you guys were involved previously.

Rich looks good- I just don't know if you want to add the information about the trip Dave polish, Rob Helveerson and I took up there as an initial request to gather data the residents had. The trip was November 10th since that included your CIC.  
. thanks!

Karen,

Here's my cut at the draft chronology Shawn has requested. Not sure who has the lead to finish this up, but I thought I'd share what I had so far.
